### THE FIRE HALL

The annual canvass for funds for fire protection is well under way and citizens are giving generously — as they have done in the past.

The foundation for the fire hall, which is being erected on the lot next to the Clubhouse on Third Street, is now practically complete, the gravel having been hauled and donated by Brethour & Shade for two concrete supports running across through the middle. The Bazan Bay Brick & Tile Works have donated sufficient bricks to build the chimney and Arthur Jones of Centre Road has offered to build the chimney free of cost. The Sidney Roofing Co. of Esquimalt (formerly of Sidney) has donated sufficient building paper to cover the fire hall in order to make it warm, and Brethour & Shade have offered to bring this out from the city without cost. Timbers for the structure have been given by Mr. King. F. A. Thornley has offered to oversee the construction of the building without cost. Joe Mason has supplied a door and six windows at a big discount. Mr. Walton sold the lot to the fire committee at a low price. Mitchell & Anderson are giving a special price on needed lumber and shingles. The Sidney Trading Co. is supplying the nails, hardware, etc. at a special price. So, taking an optimistic view of things, the finance committee feels sure that with the way contributions of cash are coming in everything will be paid for when the fire hall is complete.

Canvassers are urged to complete their allotted areas as soon as possible, as the special prices arranged for call for spot cash. All returns on hand should be immediately turned in for banking.

Any home in the district not yet surveyed should be noted by the canvassers so that a survey may be made soon.

The fire protection committee extends its sincere thanks in appreciation of the work undertaken by the canvassers, the donors of time, labor and materials, and to the contributors of cash subscriptions for fire protection. It is only through this magnificent co-operation that it is possible to carry out such an undertaking successfully.

## HEADWAY IS BEING MADE IN PROJECTS

### Fire Hall Under Construction — First Aid Kit For Public Use — Trail Is To Be Improved

The regular monthly dinner meeting took place at the Sidney Hotel on Wednesday, Dec. 2nd, Hugh J. McIntyre presiding, with a good attendance of members.

Following an enjoyable meal the minutes of the previous meeting were adopted and accounts scrutinized and ordered paid.

Street lighting finances occupied some time and finally resulted in the treasurer being instructed to augment the credit of the fund at the R.C. Electric office in Victoria. Charles Woods is very efficiently taking care of the turning on and off of the lights. Funds are sufficient to carry on the street lighting until next spring.

Considerable discussion took place as regards fire protection and it was learned that the entire area of North Saanich had been organized for the annual canvass for funds to aid the North Saanich Volunteer Fire Brigade, sponsored by the Sidney Businessmen's Association. Citizens were contributing in a fine manner and site for a fire hall had been acquired at a very low price from G. H. Walton and a lot of material had been donated for the building. The nine districts in the territory are all in charge of energetic captains and further closer organization and instruction in fire-fighting is planned. Wm. North in District No. 6 has been made captain to replace Mr. Carter, who has left the district. Ernie Munro is the new captain in (Continued on Page Four.)

## SOCIAL EVENING ENJOYED

### Church Group Entertains With Annual Affair

The social evening held last Friday in Stacey's Hall by the Women's Guild of Saint Andrew's, though not attended in great numbers, was a financial success.

The work stall in charge of Mrs. Skinner and Mrs. King, and the home cooking and candy stall in the capable hands of Mrs. Whitney, Mrs. Kennedy, Mrs. Baal and Mrs. Carter were well patronized.

Mrs. Toomer, Mrs. Morgan and Mrs. Thomas, assisted by the younger ladies of the church, served a nice tea. Games and contests were under the direction of Rev. T. R. Lancaster, assisted by Mrs. Deacon.

Mrs. Godfrey and Mrs. Morgan were in charge of the piano and Mrs. Ward looked after the cake guessing competition, Miss A. Toomer being the lucky winner.

Miss G. Cochran and Miss A. Toomer tied for the first place in one of the contests and both were given a prize, while J. E. Boshier won the prize for the Scotch song contest.

Songs by W. Jones and J. E. Boshier were very much enjoyed by the audience, both being encores.

Owing to sickness there were several disappointments on the program, the performers being unable to attend.

Card tables were placed on the stage for those who wished to join in a game.

## Ganges Institute Hears Report On Conference

**By Review Representative**  
GANGES, Dec. 9.—The members of the Ganges Institute held their monthly meeting recently in the committee room of the Mahon Hall, Ganges.

The president, Mrs. N. W. Wilson, was in the chair. In the absence of Mrs. F. Speed, the president reported details of the change in arrangements connected with the drop scene in the hall, and explained why it was advisable to substitute a canvas curtain with roller in place of the velvet draperies previously chosen. The curtain has been ordered in Vancouver.

In answer to a request by letter the members supported a resolution regarding a children's home for the mentally deficient.

There was some discussion on this subject, and also on the question of what could be done for crippled children.

A donation of \$5.00 was voted by the members to the Othon Scott fund.

Mrs. W. M. Palmer read her report on the Women's Institute conference, which she attended as delegate in Victoria. She was accorded a cordial vote of thanks.

Ten hostesses were Mrs. J. Anderson and Mrs. W. M. Palmer.

cludes innovations that should be both interesting and entertaining for both young and old. Come and join the fun! For price of admission see Coming Events.

Vancouver Island has a great range of precipitation: The Saanich Peninsula and Gulf Islands have an average precipitation of only 28 inches per year, yet at Kennedy Lake, a little over 100 miles away to the northwest, as the crow flies, official figures show precipitation for a recent year of almost 24 feet — one of the wettest spots in North America.

## SALT SPRING V.I.P.A. BRANCH NOW FORMED

### Despard Twigg Explains Objects of Vancouver Island Provincial Association

**By Review Representative**  
GANGES, Dec. 9.—At a well-attended meeting held recently here, N. W. Wilson in the chair, Despard Twigg spoke on the subject of the newly-formed Vancouver Island Provincial Association. Mr. Twigg visited Salt Spring with the idea of forming a committee for the purpose of establishing a branch of the association here.

In his able and most convincing address he impressed his audience with the fact that he was not on any partisan political mission, the movement being purely non-partisan; he advocated residents of Vancouver Island and the adjacent islands combining their interests with the ultimate goal in prospect of getting fair distribution as there was no doubt that Vancouver Island and its vicinity were not getting adequate return in the way of improvements for taxes paid.

He spoke strongly on the fact that tourists visiting Vancouver Island, although delighted with the country and beautiful scenery, were put off by the disgraceful conditions of the roads and so were unable to cover all the ground they would like; also those wishing to live in comfort on Vancouver Island were deterred from doing so by the heavy state of taxation.

At the close of the address a temporary committee was elected as follows: Major F. C. Turner, Major A. R. Layard, Dr. R. Rush, N. W. Wilson and W. Hele.

Lots of tombolas, a good entertainment, good music and plenty of refreshments are some of the items that will no doubt make the evening one of high merit.

A hearty invitation is extended to all to take part. Coming Events holds further particulars.

## Whist Drive and Dance Attracts Large Crowd

**By Review Representative**

GALIANO, Dec. 9.—Another very enjoyable whist drive and dance was held in the Galiano Hall on Friday last. There were eight tables in the play and the prizes were awarded as follows: Ladies' first, Mr. W. Lightfoot; consolation, Mrs. Stanley Page. ## McLEAN LEADS IN CHECKERS

### Checker Players Present A New Challenge Cup For Competition

Friday evening checker players gathered at the home of Mr. and Mrs. George McLean, East Road, to start a tournament on the McIntyre checkerboard that is to determine a contender to play H. L. Ricketts, champion, for the title, immediately after the competition closes.

This year a new innovation was made in these yearly contests when the players got together and purchased a three-year challenge cup and invited the inventor of the board to enter the play. Ye editor certainly appreciates the kind invitation and donation of the new McIntyre Challenge Cup, but when it comes to playing such veterans as George McLean, H. E. Kennedy, A. W. Hollands, Wm. McCulloch, E. R. Hall, Bert Sansbury, et al, it looks like a tough proposition — and it is, so I have discovered, winning only three games out of six already played.

George McLean leads the play so far just losing one game and making a draw.

The tournament will be continued at the home of Mr. and Mrs. E. R. Hall, Experimental Station, through their kind invitation, on Friday evening, Dec. 11th, commencing sharp at 8.

## MISS MIKADO SHOWER GUEST

### Miscellaneous Shower For Bride-To-Be

**By Review Representative**  
GANGES, Dec. 9.—Mrs. R. Rush and Miss M. I. Scott were joint hostesses last week at the latter's home, "Rockridge," Ganges, where they entertained about 30 guests at a miscellaneous shower and tea given in honor of Miss Shigeko Mikado, whose wedding took place at St. Mark's Church on Saturday, Dec. 5th.

The rooms and ten tables were prettily decorated with beautiful white chrysanthemums. The early part of the afternoon was given up to a guessing contest, "The Floral Love Story," which was won by Mrs. George West.

Following tea, which was poured by Mrs. W. M. Scott, a large assortment of presents were conveyed to the guest of honor in a basket, the decoration of which was carried out in green and orange with tiny sprays of orange blossom attached. This was conveyed to the bride-elect by Mrs. Max Calthorpe, attired in a perfectly matching costume of green and orange. The guest of honor, who was assisted by her sister in unwrapping and displaying the presents, thanked all present and others who were unable to be present for their gifts, also Mrs. Rush and Miss Scott for the party.

Among those present were Mrs. V. C. Best, Mrs. Frank Crofton, Mrs. A. B. Elliot, Mrs. C. A. Goodrich, Mrs. Harvey, Mrs. D. S. Harris, Mrs. A. Inglis, Mrs. C. H. Popburn, Mrs. T. F. Speed, Mrs. A. J. ## I.O.D.E. WILL AGAIN FILL HAMPERS

### Aid Sought From Citizens—Help Make Someone Happier This Christmas

The December meeting of the Allies' Chapter, I.O.D.E., was held in St. Augustine's Hall, Deep Cove, on the 3rd instant. The regent was in the chair with 16 members present.

The usual business meeting took place, in which the educational secretary reported having collected 70 books for a school library. It was decided to leave the selection of the school or schools, to which these books are to be sent, to the discretion of the educational secretary. Seven subscriptions to the Canadian Geographical Magazine were renewed for local and distant schools, three of these subscriptions being donated by three members of the chapter.

Any member wishing to contribute jam or preserves to the Solarium Christmas hampers should leave same at the head office of the Solarium, in the Pemberton Building, Victoria. If this is inconvenient the contributor is asked to communicate with Mrs. J. Ramsay, convener of child welfare.

The packing of Christmas hampers for local needy families will be carried out on Wednesday, Dec. 23rd, at 2 o'clock, in the workroom of the North Saanich Welfare Society. An urgent appeal is made to the public to contribute generously to this worthy cause. Receivers for contributions will be found in the local stores in Sidney and Deep Cove. Make your own Christmas a happier one with the thought that you have helped to make someone else's Christmas a joyous one.

Mrs. Rochford read an interesting report by Mrs. Stead, of the annual national meeting held in Winnipeg.

The meeting closed, with the singing of the National Anthem.

## SIDNEY AND DISTRICT

Have you any old toys that are broken down beyond repair? Maybe there is an old plaything stored away somewhere — it may not seem of any use to anyone, but still it might hold the missing bolt or nut that will make some other toy run. The local Wolf Cubs, under Akela Grace King, are giving their time to the repairing of toys for children less fortunate than themselves and any contribution on the part of citizens will aid in bringing happiness to some child. A word to any of the Cubs or to the akela and donations will be collected.

Mr. and Mrs. R. Baldwin and family moved last week from Henry Avenue and have taken up residence in the house on Queen's Avenue owned by Mr. J. T. Jackson.

Plans are under way by teachers and pupils of St. Paul's United Church Sunday School to hold their annual Christmas tree and entertainment on Monday, Dec. 21st.

Mr. and Mrs. A. Gibson of Regina, Sask., arrived on the coast recently and visited in Sidney this week renewing old acquaintances. Mrs. Gibson is the former Mrs. Knight who had charge of the B.C. Telephone Co.'s office here.

Congratulations are being received by Mr. and Mrs. G. H. Reid, Saanichton, on the birth of a son at Rest Haven Sanitarium and Hospital on Dec. 7th.

Local stores have put on a very Christmassy appearance this past week with their bright streamers, tinsel and colored lights and are very inviting indeed with the wonderful selection of Christmas gifts on display.

Patients registered at Rest Haven Sanitarium and Hospital from various points in our district include Mrs. Albert Ecklund, Amelia Ave.; Miss Ethel Rowbottom, Fourth St.; Mrs. G. C. Wemyss, Fourth St.; Miss A. F. Davies, Deep Cove, and Mr. G. Logan, Port Washington.

With this issue the Review starts its 25th year of existence. We have unbounded faith in the Saanich Peninsula and the Gulf Islands and look for greater development in the years to come.

## DEATH

### DEATH OF FLETCHER NORTH

Private funeral services for the late Fletcher North of Saanichton, who passed away at his home on Thursday, Dec. 3rd, were held on Monday afternoon at Hayward's B.C. Funeral Chapel, Rev. J. S. A. Bastin officiating. Following the service the remains were forwarded to Vancouver for cremation.

The late Mr. North, who was 62 years of age, was born in Bradford, Yorkshire, England, and had been a resident of Vancouver Island for the past 29 years. One of the early settlers in Sidney, Mr. North opened the first butcher shop here in 1908, which was located in the building on Beacon Avenue now occupied by Mr. S. Roberts, and the family built and resided in the house on Fifth Street now owned by Mr. George Baal. Mr. North was also a partner in the real estate business with Mr. H. A. McKillican. Leaving Sidney about 1920 the family resided in various points, including Sidney Island, Victoria and Alberni, and eight years ago moved to Saanichton where up until his illness Mr. North was occupied in North's Meat Market at Saanichton.

The late Mr. North was always keenly interested in any undertaking for the welfare of the community and was highly respected by all who knew him. He leaves to mourn his loss his widow at home; four sons, Walter, Bamfield; Herbert, Winter Harbour; Arthur, Alberni, and Jack, at home; one daughter, Marjory, at home; also three grandchildren.

### The Economy Car In The Low-Price Field

In order that the people of Sidney and North Saanich may have an opportunity to see the great new Ford V-8 for 1937 a special demonstration will be held at George Gray's Imperial Service Station on Saturday, December 12th, from 10 a.m. to 10 p.m.

During the past few years nearly four million motorists have changed to the Ford with its great V-8 engine. For the first time the car owner has been offered an automobile at the lowest possible price with an engine such as one is offered in the most expensive cars. The Ford V-8 for 1937 delivers 85 h.p. with the smoothness which is only possible in a V-type engine. Above all it is a car

that appeals to families who consider economy. To farmers who need a rugged inexpensive car for bad roads in all weathers. To the doctor or other professional man whose cars are part of the daily round of business duties.
